If an MS Thesis student establishes WA State Residency, they will pay Resident tuition rates, which are approximately 40% of the Non-Resident tuition rate used above. See here for residency eligibility information: <https://registrar.washington.edu/students/residency/>

MS Thesis students may seek RA and/or TA positions outside the Department of Biostatistics; information about compensation and tuition waivers for such work would come from the hiring department.

Rates as of 10/7/2024. Rates are subject to change without notice but represent best estimates based on current rates and historical trends. Estimated 10% annual increase in salary rate. Estimated 3.5% increase in tuition and student fees. Actual rates determined each spring.
